

Call for **PRESENTATIONS**

The Canadian Design-Build Institute 2008 National Conference Toronto, ON – October 2-3, 2008

The CDBI invites you to submit a presentation proposal for the CDBI 2008 National Conference in Toronto, ON.

“Design-Build Creative Solutions for Projects Large and Small”

is the theme of the CDBI's 10th annual design-build conference. Knowledgeable and well-expressed individuals willing to share their expertise and hands-on experiences are invited to submit proposals.

Proposal outlines must include:

Title - A short descriptive title of the presentation in 8 words or less.

Program Summary - A description of the presentation between 40 and 60 words. This description will be published in the conference program and other marketing materials.

Program Abstract - A 200-250 word summary that specifies how the presentation relates to the conference theme and suggested session topics as listed below, the learning that will occur by conference attendees and benefits of disseminating the information presented to the design-build industry and profession.

Speaker Background - A brief narrative profile of the speaker including previous speaking engagements and the type/size of the audience and evaluations received.

Speaker Contact Information – Phone and e-mail address, **MUST** be included for each proposed speaker to enable the conference review committee to contact the speaker(s) with possible questions prior to selection.

Suggested presentation topics:

- Guiding Owners on Creating Effective RFPs
- Project Size and Complexity Issues / Smaller Projects / Informal RFQ and RFP Processes
- Methods of Acquiring Clients
- Financing Attitudes / P3 Projects / Effective Relationships
- Tools to Assist Owners in Making Decisions
- A Design-Builder's Perspective re: Trade Contractor Involvement, RFP Process, etc.
- Sustainability / Integrated Design / Green Design in Design-Build / LEED and Costs to Integrate
- Lessons Learned / D-B Projects that did not Work and Why? / Case Studies
- Canadian's doing International Design-Build
- Design-Build in the Private Sector
- Promotion of Contracting and Ways to Improve the Design-Build Industry
- The Mechanics of Determining Price of Construction at a Very Early Stage.

Individual presentations should be 45-60 minutes in length and may include up to 3 speakers.

**Proposals must be received by
February 22nd 2008.**

Proposals may be submitted by cd or e-mail in Microsoft Word format to:

**The Canadian Design-Build Institute
400 – 75 Albert Street
Ottawa, Ontario
K1P 5E7**
